# PATRIOT'S RACE 2018

Mendham Township is planning the 10th Annual Patriot's Race on Saturday, June 16. We expect more than 300 runners, plus friends and family from Mendham and surrounding communities. We are asking for your support to be a part of this great community event.

In addition to supporting other great programs and events for the residents of our community, funds raised will go to benefit local causes. These include the Geoffrey D'Aries MVP Foundation, the Mendham Magic Track & Field Club and multiple college scholarships to Mendham High School seniors.

The 5K Race kicks off at 9:00 am and the Kids' Fun Run starts at 9:45. The race is followed by an awards ceremony. Throughout the course of the day, participants will enjoy live DJ entertainment as well as random prize drawings and post-race refreshments.
