

Set out below are the names of some local firms that may be able to provide relevant services. **THE LISTINGS ARE PROVIDED FOR CONVENIENCE ONLY.** The Board of Health does not recommend, or even express a view about the qualifications of, any of the listed companies or individuals. The listings also are not intended to be exhaustive or to suggest that you may not use another inspector or engineer (you may). Please use care in selecting any inspector or engineer and, when doing so, please ensure that whomever you hire is qualified and properly licensed in the State of New Jersey.
