95	I get e-mails	4/29/2018 1:35 PM

104	don't know	4/26/2018 8:54 PM
105	Way too many emails - never honor unsubscribe requests. Had to send to junk mail	4/26/2018 8:47 PM
106	I feel like I'm in the dark on a lot of issues.	4/26/2018 12:49 PM
107	no comment	4/26/2018 10:37 AM
108	again, because of lack of attention on my part, more so. grateful for this survey, and also for amalia's efforts to create wider paths of communication	4/26/2018 10:24 AM

119	I am satisfied.	4/25/2018 11:55 AM
120	Satisfied but would like more info via newsletter format	4/25/2018 11:52 AM
121	Improvement is needed -	4/25/2018 11:06 AM
122	There are only very few instances when information I required from the Township was not forthcoming in a timely manner.	4/25/2018 8:53 AM
123	I don't think I ever get any communication from them. On some issues they may intend that. Word of mouth is too often how I find out about pending important issues	4/25/2018 8:18 AM
124	Improvement and openness is needed but I'm not sure what to suggest	4/25/2018 7:13 AM
125	neither satisfied or dissatisfied	4/25/2018 5:06 AM
126	I am new to the town, so I do not have enough experience yet to determine if the communications are adequate overall. I was satisfied with the communications provided during emergency events this winter (nor'easters, eg)	4/24/2018 11:26 PM
127	I think during the storms the township was diligently providing updates via social platforms and sent information to subscribe to other affiliated/relevant pages even when in reactive mode. I think this may not be the sentiment for other residents who may not use social platforms like me. Something like the emergency alerting systems (the schools use) should be put in place for future emergency notifications.	4/24/2018 11:09 PM
128	I would like more emails about events.	4/24/2018 10:34 PM
129	No issues.	4/24/2018 10:14 PM
130	I find them informative	4/24/2018 10:14 PM
131	For now, ok. Could always enhance.	4/24/2018 9:15 PM
132	Nothing stands out as exceptionally bad or good	4/24/2018 8:15 PM
133	they are ok	4/24/2018 7:56 PM
134	There isn't much communication between the town and residents.	4/24/2018 7:28 PM
135	Only really receive communications during an emergency -eg. the recent storms	4/24/2018 6:10 PM

136	I don't keep up with it currently	4/24/2018 5:29 PM
137	They never communicate.	4/24/2018 5:15 PM
138	I get what I need	4/24/2018 5:12 PM
139	Until now I found all that I needed.	4/24/2018 4:17 PM
140	...I cannot tell a lie.	4/24/2018 3:34 PM
141	I really don't get any communication	4/24/2018 3:22 PM
142	Only updates are in the weekly newspaper.	4/24/2018 3:14 PM
143	I receive few, if any, direct communications from Mendham Twp.	4/24/2018 2:47 PM
144	Dont always know what is going on. I feel that there was a lot of press about dissolving the regional school district with long valley then the information died out and I dont know the status.	4/24/2018 2:44 PM
145	The videos of the town hall meetings and website info provide us with local community news and upcoming events. The playground info posted to the website allowed us to see the work in progress.	4/24/2018 2:12 PM
146	I have yet to be in a situation where the communication has been lacking.	4/24/2018 1:38 PM
147	My feeling is between "very satisfied" and "Neither satisfied nor dissatisfied".	4/24/2018 1:29 PM
148	obvious	4/24/2018 11:14 AM
149	It's not great, but haven't needed much information.	4/24/2018 11:10 AM
150	town committee has been secretive in the past	4/24/2018 10:36 AM
151	Seems as though I get the important info	4/24/2018 10:07 AM
152	loop isn't that big	4/24/2018 9:15 AM
153	Info that I need, but not delivered too frequently. Would love to have emergency communications by email/text like the school provides for snow days.	4/24/2018 9:00 AM
154	I feel like if there are things we should know we either read it in the newspaper, hear it from word of mouth or through email	4/24/2018 8:57 AM
155	i don't have much need generally	4/24/2018 8:17 AM
156	Unless I search out for information, I do not believe that there is a way for them to bring information to me.	4/24/2018 8:13 AM
157	Satisfied with info	4/24/2018 7:57 AM
158	You can find procedural info on the website. But the committee seems to do their own thing without tons of info ahead of the fact.	4/24/2018 7:49 AM
159	I appreciate being alerted to emergencies and issues concerning my neighborhood, zoning issues for my property.	4/24/2018 7:09 AM
160	If I'm not aware of what is happening via a neighbor, Facebook or School parent, I wouldn't know about the latest happenings in town.	4/24/2018 7:05 AM
161	website has much info	4/24/2018 6:56 AM
162	n/a	4/24/2018 4:08 AM
163	Not much info pushed out, but it is there to find	4/23/2018 11:46 PM
164	Seems the only way to know what is really being done in the township for the township is to go to town hall meetings and from those I've talked to that attended the town halls do not get much insight or progress. Frustrating.	4/23/2018 11:23 PM
165	I don't use it because the information is hard to find.	4/23/2018 9:30 PM
166	I feel that if I don't look for specific information I won't find out about it. Not sure what I am missing.	4/23/2018 9:27 PM
167	there is none	4/23/2018 9:06 PM
168	I get what I need from the emails and web site.	4/23/2018 8:45 PM
169	I don't get much	4/23/2018 8:43 PM

170	I believe that the Township Committee has turned a deaf ear to the residents of the Township. Ms. Duarte has been a breath of fresh air to what has been missing for a while.	4/23/2018 8:12 PM
171	Na	4/23/2018 8:11 PM
172	I think the emails we receive, especially about township events, are very helpful.	4/23/2018 7:32 PM
173	Satisfactory	4/23/2018 7:24 PM
174	Mostly because I have no expectations beyond the emergency notification system.	4/23/2018 6:57 PM
175	I think it's ok but additional emails or a newsletter might be more informative	4/23/2018 6:53 PM
176	Rarely get any	4/23/2018 6:25 PM
177	it seems to me to be a neutral position. I get the important information when as seek it out	4/23/2018 5:59 PM
178	More with the Township meeting agendas - points of discussion are buried in a 30 page doc. Can a summary be put in the cover email?	4/23/2018 5:51 PM
179	I expect to go to the web site	4/23/2018 5:48 PM
180	What is sent is sufficient	4/23/2018 5:40 PM
181	Never given it much thought	4/23/2018 5:36 PM
182	I feel well informed	4/23/2018 5:29 PM
183	I currently do not receive any pushed communications, just what I seek out and find from the town website. If there is a way to opt in to emails, texts, and newsletters, I would like to know more and opt in.	4/23/2018 5:26 PM
184	Not expecting much	4/23/2018 5:20 PM
185	I already volunteer, so I have an insider point of view.	4/23/2018 5:00 PM
186	Because I am mostly satisfied with the types & frequency of communications from township government.	4/23/2018 5:00 PM
187	Since moving here almost two years ago I've not received any information about where to get information about town issues, governance, or anything else. Learned about some issues from newspaper coverage of last election and related town council embarrassments, signed up for township emails and receive Councilwoman Duarte's emails about upcoming meetings and issues, which are helpful, but never even knew about other sources of info. I don't use Facebook, so that's no help.	4/23/2018 4:56 PM
188	We are getting older (85), and no longer as involved or as interested as we used to be. Forgive me for being honest!	4/23/2018 4:43 PM
189	I could use more information, and I am definitely anti-facebook and don't have the time to attend the Township Committee mtgs. However, I'm not exactly dissatisfied either, as I'm fairly well informed	4/23/2018 4:33 PM
190	There is room for improvement	4/23/2018 4:33 PM
191	I feel like I need to seek it out only when needed and I am sure there's a lot we are missing.	4/23/2018 4:21 PM
192	answer speaks for itself	4/23/2018 4:20 PM
193	it's ok. the notices of township meeting agendas are written in a way that you have NO clue what will be actually talked about at the meeting.	4/23/2018 4:12 PM
194	I get the info I need	4/23/2018 4:03 PM
195	I don't know about the issues that the committee is working on.	4/23/2018 3:53 PM
196	I only recently realized that I could get emails on updates. I feel like other towns do a better job on Facebook and their websites letting people know happenings.	4/23/2018 3:41 PM
197	I think the website does a pretty decent job of relaying pertinent information that I look for	4/23/2018 3:37 PM
198	I appreciate it when I get them, may not be comprehensive for all that is pertinent to me	4/23/2018 3:18 PM
199	Because I have never received information from them.	4/23/2018 3:15 PM
200	I feel like I am mostly in the know but I guess "you don't know what you don't know"	4/23/2018 3:11 PM

201	it seemed appropriate. I get the info I need if I seek it out.	4/23/2018 3:07 PM
202	I don't receive many communications or seek information at this time	4/23/2018 2:59 PM
203	i have what I need.	4/23/2018 2:58 PM
204	Don't get that much information on my emails	4/23/2018 2:53 PM
205	Always updated	4/23/2018 2:49 PM
206	I don't receive direct communication from Mendham Township	4/23/2018 2:45 PM
207	Town Hall and officials do a very good job of communicating.	4/23/2018 2:33 PM
208	I don't get any emails in regard to much	4/23/2018 2:30 PM
209	I can usually find the information I'm looking for, but not always easily	4/23/2018 2:09 PM
210	Satisfied	4/23/2018 2:08 PM
211	IDK	4/23/2018 2:07 PM
212	Look to communicate vision for near and mid term future more effectively	4/23/2018 2:04 PM
213	Honestly, I only said satisfied because I have been getting informative email from Amalia Duarte. Otherwise, I would have said dissatisfied because I really got nothing.	4/23/2018 2:01 PM
214	Not currently receiving notifications	4/23/2018 1:57 PM
215	Don't have strong feelings about it.	4/23/2018 1:57 PM
216	Because I did	4/23/2018 1:56 PM
217	Could be more targeted info	4/23/2018 1:53 PM
218	I can access the information I need quickly and easily. I can click and read updates if I am interested. I most often learn about key topics or decisions by word-of-mouth.	4/23/2018 1:53 PM
219	I don't have Facebook and the links are always to Facebook.	4/23/2018 1:51 PM
220	I have always been able to obtain the information that I needed.	4/23/2018 1:50 PM
221	Not always sure what information to expect. Information is in different places	4/23/2018 1:48 PM
222	A monthly newsletter would be very nice. Be proactive on giving information to the public. Don't make us work so hard to find information on your website.	4/23/2018 1:47 PM
223	It's been ok	4/23/2018 1:44 PM
224	I would like more emails but I do like the Facebook updates	4/23/2018 1:43 PM
225	seems acceptable	4/23/2018 1:39 PM
226	Seems fine but could be a little better. Or maybe I just am unaware of some of the resources.	4/23/2018 1:37 PM
227	Emails from Melanie Politti helpful	4/23/2018 1:37 PM
228	Based on use	4/23/2018 1:37 PM
229	Not always informed with town news.	4/23/2018 1:37 PM
230	Just a gut feeling	4/23/2018 1:36 PM
231	I generally try to find the information I need when needed (i.e. storm updates)	4/23/2018 1:36 PM
232	Because I feel like when something is going on of value, I am in the know. Even so, I don't feel overwhelmed or inundated with info coming from our township...which is good these days.	4/23/2018 1:35 PM
233	Hasn't been part of my daily routine	4/23/2018 1:34 PM
234	I am able to find most information I need on the current site.	4/23/2018 1:34 PM
235	No way to get information unless you dig for it and know the right places to look. An unofficial Mendham facebook page SHOULD NOT be the prime source of information!	4/23/2018 1:34 PM
236	No particular reason	4/23/2018 1:33 PM
237	Do a great job	4/23/2018 1:33 PM

238	I feel more could be communicated	4/23/2018 1:33 PM
239	x	4/23/2018 1:31 PM
240	I can get the information that I need but it is not timely	4/23/2018 1:30 PM
241	Could be more proactive. Township committee needs to better listen to residents on controversial issues and respond accordingly to represent concerns from residents.	4/23/2018 12:46 PM
242	satisfied	4/23/2018 12:04 PM
243	Would LOVE a weekly or biweekly newsletter that had ALL township happenings. Include library, recreation, special events, police initiatives etc	4/23/2018 11:59 AM
244	Because that's the answer.	4/23/2018 11:54 AM
245	i am more satisfied since the storm emergency facebook page was created. My old town used Nixle and it was great to advise of closed roads, detours or accidents	4/23/2018 11:51 AM
246	I dont feel very informed but I know the basics.	4/23/2018 11:45 AM
247	it is a bit random.	4/23/2018 11:19 AM
248	For the most part I get what I need from the regular emails or the web site.	4/23/2018 11:08 AM
249	In emergency situations, we have been kept well informed. Many aspects have been well circulated. Only some political issues have been kept under the table it seems.	4/23/2018 11:01 AM
250	Not great, not terrible	4/23/2018 10:59 AM
251	Feel well informed most of the time.	4/23/2018 10:57 AM
252	Only rarely receive communications from Mendham Township	4/23/2018 10:46 AM
253	I need to be more proactive with Mendham Township information	4/23/2018 10:45 AM
254	Communication used to be pretty bad years ago. It has improved a lot, but needs to be updated with the times. This is a wonderful step in the right direction!	4/23/2018 10:37 AM
255	The news always seems to be "after the fact"...like a meeting happened. Rather than..."in 2 weeks we will be having a township committee meeting on _____ come on down"	4/23/2018 10:36 AM
256	Communication could be improved	4/23/2018 10:35 AM
257	The only reliable sources of information are Committeewoman Duarte's newsletters, and Mendham TV if I want to watch a meeting. The Facebook accounts post irregularly and the Town rarely sends out other communications. The new emergency system is good though.	4/23/2018 10:27 AM
258	Now that Amalia is on the committee I am getting more information. I had none before she was voted to the board.	4/23/2018 10:24 AM
259	I have very much appreciated communications related to road closures, communications during storms, etc.	4/23/2018 10:23 AM
260	I would like to receive Nixle style alerts like other nearby communities. That would cause my answer to change to Very Satisfied	4/23/2018 10:19 AM
261	Usually good but occasionally info received by rumor.	4/23/2018 10:17 AM
262	This is nonsensical.	4/23/2018 10:16 AM
263	The information is there but it takes work and time to go and find it which most people do not do unless they have a concern. Only attend township committee meetings when there is something I am concerned about or have been asked to show support. I found the proceedings to be tedious	4/23/2018 10:05 AM
264	I think they communicate updates well.	4/23/2018 10:05 AM
265	Get all necessary information	4/23/2018 10:04 AM
266	I guess, cause I don't see much coming out	4/23/2018 10:04 AM
267	If I didn't sign up to get emails from "Melanie" I would not be "in the loop". I found out about the email system by accident. Make it more publicized.	4/23/2018 10:02 AM
268	During outage, info was helpful	4/23/2018 10:02 AM
269	too much secrecy around the TC	4/23/2018 10:00 AM

270	feel well informed	4/23/2018 9:59 AM
271	I'm satisfied.	4/23/2018 9:59 AM
272	I get the information I need.	4/23/2018 9:53 AM
273	I don't use it very much or receive much of it.	4/23/2018 9:51 AM
274	I get their emails	4/23/2018 9:48 AM
275	I get email from Melani. Somehow each message is sent twice to my inbox.	4/23/2018 9:48 AM
276	Could be better to connect to all areas of governance Also current events and connecting to activities in township	4/23/2018 9:47 AM
277	because I am	4/23/2018 9:16 AM
278	Seems to lack consistency and doesn't have a consolidated view	4/23/2018 7:53 AM
279	Satisfied	4/23/2018 7:16 AM
280	I don't receive any communication outside of Mendham Mom's Facebook page but I never signed up for additional communication either so that's my fault	4/23/2018 6:37 AM
281	Generally okay with communication so far but would like more if it was available	4/22/2018 11:08 PM
282	During the last storm/power outage Mendham Boro was constantly updating the community and Mendham Twp made little attempt to do so. Neil Henry reached out to the Boro everyday.... the Twp... not so much.	4/22/2018 10:28 PM
283	It's on a regular enough basis (not too often, not too infrequent), and usually to the point.	4/22/2018 9:06 PM
284	I do not receive communications from the district	4/22/2018 8:54 PM
285	New to township	4/22/2018 7:36 PM
286	Sometimes not knowing what is going on is a blessing	4/22/2018 6:45 PM
287	Not a lot of info but not a lot of need	4/22/2018 6:04 PM
288	Information is inconsistently distributed.	4/22/2018 4:54 PM
289	?	4/22/2018 4:33 PM
290	I feel informed but still occasionally miss opportunities I would be interested in due to not seeing it on Facebook.	4/22/2018 4:01 PM
291	don't always rec emails	4/22/2018 3:31 PM
292	N/A	4/22/2018 1:27 PM
293	It's helpful	4/22/2018 1:01 PM
294	The emails are fine.	4/22/2018 10:48 AM
295	Would like more up to date information pushed electronically.	4/22/2018 9:52 AM
296	Other than the info on the upcoming meetings (agendas), don't get much info	4/22/2018 9:51 AM
297	Would like more information about what goes on at town meeting. Do not have time to look at Mendham TV.	4/22/2018 9:22 AM
298	While the township committee effects me, I have found in the past that they are not interested in views that don't meet their views and seem to have a personal agenda. Thank God Rick Blood resigned.	4/22/2018 9:05 AM
299	Gives me up to date info that is relevant and I wouldn't have known otherwise	4/22/2018 8:36 AM
300	Just beginning to be part of the information loop.	4/22/2018 8:00 AM
301	I usually get emails	4/22/2018 8:00 AM
302	I like the text system that WT and Chester utilize. If Mendham has it they don't utilize it as well.	4/22/2018 7:36 AM
303	See my response above	4/22/2018 7:24 AM
304	I think there is an opportunity to bring the community together more with more effective and accessible communication.	4/22/2018 7:22 AM

305	I don't think there is slot of communication that is sent my way or easy to find.	4/22/2018 6:57 AM
306	Neutral—they are doing an ok job in some areas. Others (budget) appear to take place in a black hole. Initial storm communications in March was poor. Improved later in the week (after 2nd storm).	4/22/2018 6:49 AM
307	open communication from town	4/22/2018 3:19 AM
308	I haven't received any communication from.mendham township	4/21/2018 11:05 PM
309	Because I'm satisfied	4/21/2018 10:49 PM
310	Generally know about most happenings in town	4/21/2018 9:55 PM
311	OEM does a great job disseminating info	4/21/2018 9:53 PM
312	The newsletter I have received from one of the new members is the first time I have ever received any "pushed" information. I think there should be a way to sign up for email updates and get information pushed to us. Everyone is to busy to have to go watch TV, check FB pages, check web sites, etc.	4/21/2018 9:53 PM
313	They do not get news out	4/21/2018 9:43 PM
314	Communication during the recent storm was abysmal. One had to navigate to the OEM Facebook page to get information. I expected more from the Township's Twitter feed. It's not difficult to retweet updates from police, the State, neighboring jurisdictions, road closures, etc. Ordinary methods of communication are not effective during emergencies. You need to figure out what works for your day to day notifications and what works better in emergencies. There should be a text notification option for those who want to opt in.	4/21/2018 9:34 PM
315	Don't receive communications	4/21/2018 9:14 PM
316	I don't know that I receive any communication from the township except from my property tax bills and school district mails.	4/21/2018 8:39 PM
317	I feel that with everything there is always room for improvement, but that the township does a great job getting information out to the residence- especially the township police department Facebook page	4/21/2018 8:34 PM
318	It can be better but the town is small enough that you can find things if you want but if you are new to the town it takes years to get informed	4/21/2018 8:33 PM
319	I don't feel like I get any helpful communications. During the winter storms it was radio silence.	4/21/2018 8:02 PM
320	Aside from the Police and OEM alerts, I don't hear enough about what is going on.	4/21/2018 7:55 PM
321	Because I don't get very much communication. Could have more when it comes to road closures/flooding/weather and police activity.	4/21/2018 7:31 PM
322	4/21/2018 7:29 PM
323	If I need information I'll find it. The new Facebook page with updated storm information is nice and kept residents in the loop.	4/21/2018 7:28 PM
324	Communication has been lacking...	4/21/2018 7:19 PM
325	Because I did. Deal with it. A 3rd grader design these questions?	4/21/2018 7:00 PM
326	I've lived in Mendham 20 years. No communication from Township committee regarding finances, budgets, etc. Its almost a secret society! New member, Amalia Duarte, is first committee member to knock on my door, have updated Facebook posts and regular open hours. It's an example of great "community care".	4/21/2018 6:26 PM
327	Not a problem.	4/21/2018 6:23 PM
328	I can easily get the info I need if I seek it.	4/21/2018 5:59 PM
329	Easy	4/21/2018 5:50 PM
330	If Amalia didn't send out emails, not sure I'd know what was going on.	4/21/2018 5:20 PM
331	Think it should modernize a bit but	4/21/2018 4:47 PM
332	It is sufficient	4/21/2018 4:00 PM
333	Sometimes good and sometimes not	4/21/2018 3:50 PM

334	Don't have opinion	4/21/2018 3:46 PM
335	Did not really think about it either way	4/21/2018 3:03 PM
336	Info shud be consistent and transparent.	4/21/2018 2:59 PM
337	it is fair but much for improved	4/21/2018 2:57 PM
338	They update Facebook pages very frequently with useful information	4/21/2018 2:56 PM
339	Nothing to say	4/21/2018 2:50 PM
340	.	4/21/2018 2:04 PM
341	I think I can generally find the information I need from the sources available.	4/21/2018 2:02 PM
342	Nothing pushed except meeting minutes Do quarterly or monthly newsletters	4/21/2018 1:54 PM
343	Always room for improvement.	4/21/2018 1:40 PM
344	I don't receive updates unless I go to the websites myself.	4/21/2018 1:38 PM
345	I can find the info when I want to and am not inundated with info I am not interested in.	4/21/2018 1:34 PM
346	I use Facebook for all info	4/21/2018 1:30 PM
347	I know what happened to my township in Mendheim.	4/21/2018 1:04 PM
348	Basic	4/21/2018 1:04 PM
349	X	4/21/2018 1:01 PM
350	Doesn't seem to be the transparency as is touted.	4/21/2018 12:57 PM
351	Don't always receive emails although subscribed	4/21/2018 12:47 PM
352	Although the Township-Borough collaboration booklet that is mailed out seems like that that could be eliminated. Some of the info is not current and most people use email or social media. If you feel a mailing needs to go out for those that don't use technology, perhaps pull details, more likely for these individuals, and send a flyer out, in both communities. Both Township & Borough should work together with their online communication of shared activities. Maybe a collaborative shared online "Bulletin Board" that would fulfill what the booklet used to do.	4/21/2018 12:18 PM
353	Pretty much, I keep myself informed, but I think the website could be better	4/21/2018 12:09 PM
354	Enough info is there most of the time.	4/21/2018 11:48 AM
355	I'm satisfied	4/21/2018 11:37 AM
356	Don't use it much	4/21/2018 11:32 AM
357	x	4/21/2018 11:28 AM
358	I guess because I'm not sure if I'm missing out on info about events happening in the Township.	4/21/2018 11:20 AM
359	I thought the Township did a good job with storm communication, and I find the notices of meetings, along with the attached agenda, to be helpful.	4/21/2018 11:17 AM
360	The only communication I have is the unofficial Facebook pages aside from emergency	4/21/2018 11:03 AM
361	It serves my needs... nothing compelling at this point in our residency in Mendham Township. I see our need increasing in our second year here.	4/21/2018 10:38 AM
362	The info provided is better than nothing but could be improved.	4/21/2018 10:29 AM
363	I have been very pleased to receive updates from Amalia Duarte as to what is happening in our town.	4/21/2018 7:48 AM
364	There could be more, but it's pretty good for a small town.	4/21/2018 7:44 AM
365	Since the November election, I feel that communication has definitely improved! I don't think I remember being asked for input in town affairs before.	4/21/2018 7:00 AM
366	Notices on from page of website are helpful.	4/21/2018 6:54 AM
367	Not easy to know what is going on in town	4/20/2018 11:15 PM
368	I get email from Amelia Duarte	4/20/2018 10:47 PM

369	not timely	4/20/2018 10:20 PM
370	I like more information for this end of town	4/20/2018 10:00 PM
371	Some critical meetings are announced at the last minute, some things are listed for debate and public input but clearly have already been decided, etc. Reports on East sewer plant (Drakewick) have been few and some factually incorrect, even when "done" (yea!) no one issued a report to stakeholders who paid for the work. Sad.	4/20/2018 9:30 PM
372	If it wasnt for Oak knoll association we woud not no anything about the town	4/20/2018 9:01 PM
373	Some key information like road closings are not always easy to find	4/20/2018 7:14 PM
374	There is not a lot of info given and often I learn about things last minute. If I want to attend a committee meeting and it was cancelled that may or may not be on the website. When I was looking for the girls night out event or info on the playground - finding information was so hard to find. Events or topics that should have more town input are not publicized until after it happens. All frustrating.	4/20/2018 6:55 PM
375	Communications are OK--could be better.	4/20/2018 6:41 PM
376	I feel like between all the different sources I can get the information I need.	4/20/2018 6:18 PM
377	I was able to find some good information during the storms.	4/20/2018 5:31 PM
378	Things that occur on regular schedules, like committee meetings, get communicated fine. Things that aren't on a regular schedule, communication seems haphazard. For example, the recent storms that took out power, I got my info from Boro Mayor, then 24 hours later Twp Mayor gave similar update.	4/20/2018 5:29 PM
379	In the past it wasn't great. I think more of an effort has been made recently. Especially w the police Dept and OEM	4/20/2018 5:29 PM
380	Could be better. Happy to see Amalia posting things on FB.	4/20/2018 4:50 PM
381	I receive that which I signed up for (alerts). I don't feel I" receive" anything beyond that unless I look for it.	4/20/2018 4:10 PM
382	I feel informed	4/20/2018 4:04 PM
383	More is better than none	4/20/2018 4:02 PM
384	I am mostly aware of emergency info. Top line reminder of upcoming council meetings would be good.	4/20/2018 3:33 PM
385	Committee member Duarte has been sending e-mail updates out which are very informative.	4/20/2018 3:23 PM
386	Because I am satisfied.	4/20/2018 3:21 PM
387	Good communication on Facebook page.	4/20/2018 3:16 PM
388	I don't feel strongly one way or the other	4/20/2018 2:57 PM
389	I see it on Facebook but it would be nice to get texts or emails as well.	4/20/2018 2:37 PM
390	Most importantly, Township has been very good about severe weather warnings/road hazards.	4/20/2018 2:25 PM
391	A cohesive communication strategy does not exist.	4/20/2018 2:23 PM
392	I find it difficult to follow the information flow from Township officials to residents without proactive work on the resdent's part.	4/20/2018 2:12 PM
393	I think they've done a good job with communication	4/20/2018 1:58 PM
394	it can always be better.	4/20/2018 1:56 PM
395	would like more analysis of issues like the interpretive statements on ballot questions. Educate the residents.	4/20/2018 1:49 PM
396	Not horrible but could always be better. Since Amalia Duarte joined the committee I feel that we have been better informed.	4/20/2018 1:48 PM
397	I don't pay much attention.	4/20/2018 1:46 PM
398	Na	4/20/2018 1:44 PM
399	frequency seems adequate	4/20/2018 1:30 PM

400	I could probably be More informed- but I don't use much social media...,and likely won't in the future.	4/20/2018 12:53 PM
401	Would like to have Township committee meeting notes sent out just as the agenda is sent.	4/20/2018 12:48 PM
402	Not much info coming	4/20/2018 12:47 PM
403	I get the info I need	4/20/2018 12:36 PM
404	I had 5 choices, the one I chose best matched my thoughts.	4/20/2018 12:31 PM
405	There has been an improvement with the way the Town shares information. Hopefully, it will continue to improve.	4/20/2018 12:11 PM
406	I feel like there should be a newsletter or a better way for me to get all the information in one place, that's delivered to my email or mailbox, so I don't have to remember to check the website to see what's going on	4/20/2018 11:49 AM
407	great updates from one committee member, namely Amalia Duarte. Should also have previously published news letter	4/20/2018 11:29 AM
408	I don't receive much information from the Twp.	4/20/2018 11:27 AM
409	In the past we hardly ever received anything and I didn't know what was going on	4/20/2018 11:13 AM
410	it's ok	4/20/2018 11:11 AM
411	Although notices of MTC meetings are good, in past years there's been little or no communications, good or bad, from the MTC. Lived through the Drakewick sewer debacle, unprofessional and unforthcoming from MTC. It's better, but needs to be better! Be more accessible. MTC needs to respond to emails from residents.	4/20/2018 11:06 AM
412	Emails arrive regularly enough to feel like I know what is going on	4/20/2018 11:05 AM
413	Efforts are being made but could and should be improved.	4/20/2018 11:00 AM
