159	The township needs to improve communications, reduce spending, join with other towns to operate more efficiently, hire experience people to reduce expenses and loan payments. Be more transparent to the residents. Drakewick has problems with its sewer, we are required to pay for it but are not informed.	4/24/2018 7:09 AM

184	Not expecting much	4/23/2018 5:20 PM
185	The township gives an "air" of not caring. We pay a lot of money to live here and get very, very little for it.	4/23/2018 5:00 PM
186	Because that's my opinion.	4/23/2018 5:00 PM
187	Lack of information about pending issues or where to learn about them.	4/23/2018 4:56 PM

217	Mostly been able to reach twp employees when needed	4/23/2018 1:53 PM
218	The township is well run, and I am grateful to the elected officials and staff who are responsible. Because I am satisfied, I don't feel the need to weigh in. If this changed, I would most likely attend a meeting to observe and/or comment.	4/23/2018 1:53 PM
219	I haven't tried	4/23/2018 1:51 PM

234	I have never tried to communicate any information to the Township.	4/23/2018 1:34 PM

253	I haven't used it	4/23/2018 10:45 AM
254	My few interactions have all been positive! It's a great town but sometimes feels like the govt is in the shadows, communicate and bring out all the wonderful assets of our community!	4/23/2018 10:37 AM
255	I travel quite frequently so it is hard to get to committee meetings. Since Amalia Duarte has joined there seems to be a new sense of openness and transparency.. Office Hours! How great is that!!!	4/23/2018 10:36 AM
256	If I want my opinion heard I can attend a Twp committee meeting	4/23/2018 10:35 AM

257	The only real place for this is at Township Committee Meetings where you have to wait for at times a few hours, to be dismissed by most of the Committee.	4/23/2018 10:27 AM
258	Now that Amalia is on the board I feel that I would have someone who will listen now.	4/23/2018 10:24 AM
259	This is the first time you asked.	4/23/2018 10:23 AM
260	I am pleased	4/23/2018 10:19 AM
261	Not pertinent	4/23/2018 10:17 AM
262	It's true.	4/23/2018 10:16 AM
263	I have offered feedback several times at town committee meetings and through email to specific committee members. Was generally dissatisfied on the lack of interest and response to my concerns.	4/23/2018 10:05 AM
264	I haven't really given feedback to know the response.	4/23/2018 10:05 AM
265	Don't give any	4/23/2018 10:04 AM
266	We have never been asked to give input	4/23/2018 10:04 AM

268	Again, during outage, helpful	4/23/2018 10:02 AM
269	TC is a closed little group with exception of new girl and Gisser. Dem working against R's clearly.	4/23/2018 10:00 AM
270	no opinion	4/23/2018 9:59 AM
271	I don't generally do any of theses things. As long as it is in an email, i can forward it.	4/23/2018 9:59 AM
272	Haven't needed to give feedback.	4/23/2018 9:53 AM
273	Whenever i have a question or issue it is easy to find someone to ask or talk to at the municipal building.	4/23/2018 9:51 AM

280	Same reason as above	4/23/2018 6:37 AM
281	Generally don't have much input to give, but wouldn't know where to express it if/when I do have an issue	4/22/2018 11:08 PM
282	How would one do that??	4/22/2018 10:28 PM
283	Two way communications aren't very effective, and I'm not sure that everyone on the town council is willing to listen. I'm not sure, other than going to a town meeting, how to give input	4/22/2018 9:06 PM
284	Not sure of the proper protocol	4/22/2018 8:54 PM
285	New to township	4/22/2018 7:36 PM

296	It's okay - just have to figure out the correct person's email which isn't always easy	4/22/2018 9:51 AM
297	No one seems to listen.	4/22/2018 9:22 AM
298	See above	4/22/2018 9:05 AM
299	Never gave feedback	4/22/2018 8:36 AM
300	This survey demonstrates that you are interested in hearing the residents' voices.	4/22/2018 8:00 AM
301	I don't typically give feedback	4/22/2018 8:00 AM
302	Survey is a good start. We are relatively new residents, less than a year	4/22/2018 7:36 AM
303	See above	4/22/2018 7:24 AM
304	I actually have recently found the township very helpful but the initial welcome can be a bit tricky and I think people could be easily deterred.	4/22/2018 7:22 AM
305	Not really sure what this question is meant to be	4/22/2018 6:57 AM
306	Only Amalia makes herself accessible outside of Twp Committee meetings.	4/22/2018 6:49 AM
307	NA	4/22/2018 3:19 AM

310	Feel like I can always comment	4/21/2018 9:55 PM
311	haven't needed to	4/21/2018 9:53 PM
312	I know I can go to a meeting to provide feedback.	4/21/2018 9:53 PM
313	Nothing is ever done.	4/21/2018 9:43 PM
314	Other than Amalia encouraging and soliciting feedback on her Facebook pages, no one else seems to give a shit.	4/21/2018 9:34 PM
315	Haven't had opportunity to do this	4/21/2018 9:14 PM
316	I don't think it is relevant.	4/21/2018 8:39 PM
317	Because i always feel comfortable voicing my opinion- it doesn't mean it's always accepted and agreed upon, but i voice it	4/21/2018 8:34 PM
318	Town hall meetings are too difficult and inefficient.. try conference calls and webinars	4/21/2018 8:33 PM
319	There don't seem to be obvious ways to do so.	4/21/2018 8:02 PM
320	The officials appear to be using the About Mendham to communicate instead of the official webpage.	4/21/2018 7:55 PM
321	Mendham Township proved themselves during the 4 n'oreasters. We got a lot of 'yes's' when nothing was actually done.	4/21/2018 7:31 PM
322	This survey is toooooooo long	4/21/2018 7:29 PM
323	I've never shared information w the township.	4/21/2018 7:28 PM

325	Go read 14	4/21/2018 7:00 PM
326	I feel very detached from what happens with government of my community. No line of communication has been established. No concersation.	4/21/2018 6:26 PM
327	Fine with how things are cursrently getting done.	4/21/2018 6:23 PM
328	Everyone is friendly and easy to approach.	4/21/2018 5:59 PM

329	Easy	4/21/2018 5:50 PM
330	Tough to make township council meetings since I work in NY. Committee doesn't seem to be making effort to send out info on regular basis.	4/21/2018 5:20 PM
331	Because	4/21/2018 4:47 PM

357	xx	4/21/2018 11:28 AM
358	I like that this survey was an option, and though I don't feel I need it currently, I love that Ms. Duarte has office hours - makes me feel like our local government is really listening to us!	4/21/2018 11:20 AM
359	I haven't felt the need to communicate so far.	4/21/2018 11:17 AM
360	Before Sarah got on the board I would have had no idea with whom to speak	4/21/2018 11:03 AM
361	I have not had need to give feedback or consider two-way communication with Mendham Township.	4/21/2018 10:38 AM
362	Currently don't know how to provide feedback	4/21/2018 10:29 AM
363	Having a representative that I know personally helps as well as the fact the it's easy to ask and receive information on Facebook.	4/21/2018 7:48 AM
364	Never tried	4/21/2018 7:44 AM
365	As previously stated in question 14, I feel the residents now have a voice in how the town is run.	4/21/2018 7:00 AM

366	I feel I can call at any time.	4/21/2018 6:54 AM
367	Where would someone give feedback	4/20/2018 11:15 PM
368	Not answering	4/20/2018 10:47 PM
369	didn't know i could give feedback	4/20/2018 10:20 PM
370	this is how I feel about some of the lack of communications during the storms. The computers and phones are out. Why don't you have our cell phone numbers?	4/20/2018 10:00 PM
371	See above response dialog box.	4/20/2018 9:30 PM
372	maybe things will change	4/20/2018 9:01 PM
373	I have not had to communicate with the township.	4/20/2018 7:14 PM
374	There is not a good forum To do this. Committee meetings are ok- but often a decision is made before the public can speak so my input is not considered and it feels dismissive.	4/20/2018 6:55 PM
375	Much more satisfied now than in years past, due to Amalia Duarte's openness and responsiveness	4/20/2018 6:41 PM
376	Thanks to Amalia Duarte, there is much more transparency! Thanks!	4/20/2018 6:18 PM
377	I feel there are avenues for input.	4/20/2018 5:31 PM
378	I've sent emails to twp that have not been responded to, and watching some of the twp committee mtgs where residents speak, they have sometimes been spoken down to or given curt answers.	4/20/2018 5:29 PM
379	Don't really have opinion one way or the other	4/20/2018 5:29 PM
380	Able to go to meetings and speak, Committee members willing to talk on the phone.	4/20/2018 4:50 PM
381	I am very satisfied with my ability to give feedback and input. (slight chuckle) But, since very little comes from the effort, the result is unsatisfying.	4/20/2018 4:10 PM
382	N/a	4/20/2018 4:04 PM
383	I don't really try to share info	4/20/2018 4:02 PM
384	Mayor and town employees can be very slow to respond.	4/20/2018 3:33 PM
385	Township committee seems to be opening up more to resident's suggestions and concerns.	4/20/2018 3:23 PM
386	Just came from a "townhall" meeting with Amalia Duarte. Very informative.	4/20/2018 3:21 PM
387	Haven't come across need yet.	4/20/2018 3:16 PM
388	Same as above	4/20/2018 2:57 PM
389	I feel I can give feedback as needed.	4/20/2018 2:37 PM
390	Have never noticed an opportunity to respond to any info rec'd. from the Twp.	4/20/2018 2:25 PM
391	This is the first time anyone has asked.	4/20/2018 2:23 PM
392	Often there is no notice of what is going on and who is the go-to person for particular feedback. Reports on the Mendhamtwp.org website cite occasions of the town not sharing information with residents, possibly to avoid conflict or feedback.	4/20/2018 2:12 PM
393	I was able to send updated info very easily when the power was out (mainly from the updates on FB)	4/20/2018 1:58 PM
394	not sure that anybody listens.	4/20/2018 1:56 PM
395	Residents don't appear listened to.	4/20/2018 1:49 PM

397	See above	4/20/2018 1:46 PM
398	Na	4/20/2018 1:44 PM
399	have not had the need to give feedback	4/20/2018 1:30 PM
400	Haven't had a chance to other than this survey	4/20/2018 12:53 PM
401	I haven't had the need to provide communication with the Township in recent years.	4/20/2018 12:48 PM

402	Unless ur at a meeting there's no way to get your opinion on record	4/20/2018 12:47 PM
403	.	4/20/2018 12:36 PM
404	I believe there is adequate opportunity to give feedback to the township.	4/20/2018 12:31 PM
405	Thinking back to the end of last year and the fiasco surrounding Blood's short time on the TC. The actions of TC members except Mr. Gisser were inexcusable. There was clearly an agenda there that did not include residents or Committee members Gisser and Duarte. The TC must prove this has changed. We have another TC member who was not elected, will she serve the community or follow the agenda of certain committee members as Blood tried to do? The way that dedicated volunteers like Rich Brusco, members of the Rec Commission and others were kicked aside because they got on Cioppettini's bad side is unforgivable. Many bad feelings were created for no reason except Frank's ego and his secret agenda. Shame on them! The TC needs to prove they even realize (or care) that they've lost their credibility with many residents.	4/20/2018 12:11 PM
406	Since Amalia has had open office hours, I feel like if I had something to ask about, I could go there.	4/20/2018 11:49 AM
407	at town meetings if you ask a question to an individual member or entire committee they may not answer but only thank you for your comments	4/20/2018 11:29 AM
408	Technology allows you to communicate instantly	4/20/2018 11:27 AM
409	Don't know	4/20/2018 11:13 AM
410	town council doesn't listen	4/20/2018 11:11 AM
411	Little response in past from MTC had made me feel hopeless in my efforts. The town staff, however, is very responsive and helpful.	4/20/2018 11:06 AM
412	I dont think I've ever been asked to give feedback.	4/20/2018 11:05 AM
413	The Township Committee has shown a distinct disinterest in resident input and feedback, restricting opportunities to speak, limiting public meetings, and creating ad hoc processes that restrict public involvement.	4/20/2018 11:00 AM
