34	The best way I have been able to be involved is by participating. I have volunteered, attended meetings and try to stay on top of what is going on in the community. Knowing our officials, many of the employees and volunteering are ways of being involved with the decision-making. It is my town, so I care enough to be involved.	4/30/2018 11:29 PM

39	We live in a republic with representative government. We elect those to represent us. On any given issue we the people have an opportunity to voice our positions in the public portion of the committee meeting. By expanding the agenda to include items for discussion, those interested can attend a meeting and provide comments and views.	4/30/2018 6:36 PM

41	Don't know, but meetings are long, communications unexciting. You need to find a format that works in a modern world, allowing folks to get to the specific content they are interested in, and provide a way for them to give feedback quickly, directly.	4/30/2018 4:49 PM

43	none	4/30/2018 1:12 PM
44	Again newsletter informing what is being considered	4/30/2018 1:09 PM
45	I recall being very shocked when I went to what I thought was a public input meeting about the possible acquisition of Pitney Farm several years ago and found out at the meeting it was a done deal. Even if the Township Committee has the right to make large purchases or sign off on major expenditures like the firehouse without input from the public, I think they should seek it before closing such deals.	4/30/2018 12:25 PM
46	No comment	4/30/2018 11:43 AM
47	This type of survey is very convenient. It would be ideal if secure online voting on issues could be handled the same way.	4/30/2018 11:33 AM
48	Attend meetings	4/30/2018 11:33 AM
49	Not sure. Despite being an almost 20-year resident, I really don't follow this stuff too much. However, I would like to see more in the way of shared services with the Borough. The amount of redundancy with the Borough is utterly ridiculous and a complete waste of tax payer money. I've also heard that there are plenty of resident snobs who don't want to have to mix with the "riff raff" of the Borough which may be the most stupid and arrogant thing I've ever heard.	4/30/2018 11:30 AM
50	Survey, voting	4/30/2018 11:27 AM

61	Resign the town council lawyer and administrator and start over.	4/26/2018 8:47 PM
62	increased channels of communication will be valuable. awareness is key. transparency is key. but township residents must also show up and engage-that is what we need to bring, even as efforts at communication on the part of the elected officials are widening. working together!	4/26/2018 10:24 AM

66	MTCCommittee needs to actively solicit feedback and input from residents - upfront and in advance of the decision. A good example of this was 2018 Municipal Budget Process. But that was unique. Like to see more.	4/25/2018 5:13 PM
67	more on line surveys	4/25/2018 4:29 PM
68	virtual meetings	4/25/2018 4:18 PM

76	Community breakfasts.	4/24/2018 10:14 PM
77	Leverage surveys such as this to poll the community in ideas. This method can be used to narrow down concepts and then be debated through town governance with opportunity to provide input further in town halls and other community gatherings.	4/24/2018 9:15 PM
78	have more opportunities for all of us to vote on things	4/24/2018 7:56 PM
79	Amelia Duarte sent out an email about the budget. I think that would be a good template moving forward.	4/24/2018 7:28 PM
80	Make information more accessible	4/24/2018 6:10 PM
81	Not sure	4/24/2018 5:29 PM

87	Keep current website information so we can be aware of the planning ideas,	4/24/2018 2:12 PM
88	In order to be more involved we need to first know what is on the agenda and what decisions need to be made and when. As a resident I don't even know what we are allowed to help with.	4/24/2018 1:38 PM
89	...	4/24/2018 1:29 PM
90	committee needs to stop bashing long term, involved volunteers	4/24/2018 11:14 AM
91	In mass. Large crowds do have an impact	4/24/2018 9:15 AM

93	...	4/24/2018 8:13 AM
94	Email to residents about issues before they are voted on Survey monkeys	4/24/2018 7:49 AM
95	I believe that most residents are not interested until something happens that involves their home. New Jersey residents have been desensitized to high taxes and fees from their town BUT they believe everything is running efficiently and effectively. They think competent people are overseeing the operating expenses and systems. So, they do not look too closely.	4/24/2018 7:09 AM
96	Surveys, committee meetings	4/24/2018 7:05 AM
97	a space on any media or sites for comments	4/24/2018 6:56 AM
98	Find more ways to get people involved and take feedback into account for decision making. Be clear on why a final decision was made with good rationale. This town is slowly becoming the place where time stopped... and not in the good ways. A balance is needed to preserve the small town but we still need to modernize those two things do not need to be mutually exclusive.	4/23/2018 11:23 PM
99	simply solicit feedback like this. we shouldn't have to show up at a committee meeting to be heard.	4/23/2018 9:06 PM
100	Have town hall meetings to discuss issues.	4/23/2018 8:45 PM
101	Town Hall meetings with all Committee members would be a step in the right direction. I remember a Committee Meeting last Fall when Mr. Diegan said that it was a job when questioned about taking a salary. Time to prove it. Walk the walk Rich.	4/23/2018 8:12 PM
102	Send surveys out to gain people's input	4/23/2018 8:11 PM
103	More surveys I suppose.	4/23/2018 7:32 PM
104	NA	4/23/2018 7:24 PM
105	Remind citizens of meetings with a sandwich board on Rt. 24	4/23/2018 6:53 PM
106	They need to participate and show an interest.	4/23/2018 5:59 PM
107	More detailed/advance notice on what decisions are being made at Township meetings. Difference between appointment of Township representatives and those voted in - need more clarity there...	4/23/2018 5:51 PM
108	Provide more information on a centralized and consistent platform with up to date information	4/23/2018 5:48 PM
109	Townhall meetings, committee meetings, email box, surveys.	4/23/2018 5:26 PM
110	Return the committees to the community. Frank closed the doors on the residents and it has hurt the community as a whole.	4/23/2018 5:00 PM
111	1. Pay attention. 2.. Do due diligence to determine facts; don't rely on opinions on social media channels 3. Vote in elections. 4. Attend school board & township committee meetings.	4/23/2018 5:00 PM
112	More communication with residents about the decisions that are at issue so we can form opinions and make our views known.	4/23/2018 4:56 PM
113	Send out emails or other messages about programs in town that will interest homeowners. Write positive ideas about programs that will encourage people to participate. I am very frustrated with town decisions being partisan. The township committee should be about Mendham, not whether the committeepersons are Democratic or Republican! It should always be what is best for Mendham.	4/23/2018 4:43 PM
114	it would be amazing to have a weekly email which gives advance notice of the topics to be covered at the Township Committee mtg	4/23/2018 4:33 PM
115	More brief surveys & regular newsletters	4/23/2018 4:33 PM

119	First residents need to know what decisions need to be made and the ramifications	4/23/2018 3:18 PM
120	perhaps via the public schools.	4/23/2018 3:15 PM

121	Tough to get people to go to meetings when it's not totally clear what's going to be discussed - plus even if you want to attend if you can't make it on the specified date there generally isn't another opportunity. That being said I'm not sure I have a solution on how to balance getting folks involved with not stalling town business from advancing.	4/23/2018 3:11 PM
122	don't have any really	4/23/2018 3:07 PM
123	open town committees to conference calls or webinars.	4/23/2018 2:58 PM

128	open forums, surveys, suggestion email box,	4/23/2018 2:01 PM
129	Newsletters and community outreach would help.	4/23/2018 1:57 PM
130	Become informed	4/23/2018 1:56 PM
131	Town hall sounds like an intriguing idea. It would help to either 1) focus on key topic or decision, or 2) set a pattern of having an annual "state of the township" forum.	4/23/2018 1:53 PM
132	Volunteer for various committees, attend township committee meetings, or run for township committee	4/23/2018 1:50 PM
133	Surveys like this or an online questionnaire	4/23/2018 1:48 PM
134	/	4/23/2018 1:47 PM
135	Push out more notices of council meetings and agenda	4/23/2018 1:44 PM
136	Surveys such as this one and Facebook polls	4/23/2018 1:43 PM
137	continue social media. people these days cannot attend meetings. I suppose you can get feedback from people via emails and Facebook. parents will get involved if their kids are first. motivate contributions through family	4/23/2018 1:39 PM
138	-	4/23/2018 1:37 PM
139	Awareness of the issues and facts related to them	4/23/2018 1:37 PM
140	better communication of town meetings	4/23/2018 1:37 PM
141	I have none.	4/23/2018 1:36 PM
142	Facebook is great.	4/23/2018 1:35 PM
143	Town hall meetings	4/23/2018 1:34 PM
144	texts	4/23/2018 1:34 PM
145	Townhalls are great but something that facilitates people's schedules such as an email suggestion "box" or surveys like this that are sent out when viewpoints about critical issues are desired would be great.	4/23/2018 1:34 PM
146	Sign up for e-mail alerts	4/23/2018 1:33 PM
147	Attend meetings join committees	4/23/2018 1:33 PM
148	None	4/23/2018 1:31 PM
149	If residents have personal interest issues, they could be added to a distribution list e.g. for environmental issues, - when a new issue or proposal arises on environmental issues they could get an alert with timelines, township meetings etc to help share opportunities for them to provide comment	4/23/2018 12:46 PM
150	Host an open house or town hall instead of regular committee meetings	4/23/2018 11:59 AM
151	They should go to town meetings.website should be more interactive.	4/23/2018 11:54 AM
152	Email questionnaires when looking for input or provide information in newsletters or email and give residents an email or phone number to give input.	4/23/2018 11:45 AM

154	Email surveys	4/23/2018 10:59 AM
155	do on-line communication letters. Not Facebook.	4/23/2018 10:46 AM
156	Attend meetings	4/23/2018 10:45 AM
157	This. It begins with letting residents know what is going on and that they have a voice.	4/23/2018 10:37 AM
158	Electronic and on-line. TWO WAY communication.	4/23/2018 10:36 AM
159	The more informed they are the more involved they will become	4/23/2018 10:35 AM
160	There should a way for residents to share feedback with the town , that doesn't involve having to go to a meeting. The Township Committee should have open work sessions so that the members of the Community actually know what their governing body is doing. It seems that many of the decisions regarding the tow n are made behind closed doors by a small group of Committee members.	4/23/2018 10:27 AM
161	Electronic collaboration, e-voting, etc.	4/23/2018 10:23 AM

165	The email updates from politi are too long and too much info to sort through. A highlight email would be good with a link to the website for detailed minutes.	4/23/2018 10:05 AM
166	questionnaires, ask the kids at schools, etc.	4/23/2018 10:04 AM

185	Opportunities, especially more informal, to speak with their representatives.	4/22/2018 9:52 AM
186	Maybe you should send out an email to let people know what is going on and then ask residents for their input before the township committee makes any decisions. I also think you should pay down the debt and stop putting money into things that can be paid for by contributions. We need lower taxes.	4/22/2018 9:22 AM

187	Elect more members who are interested in others not just themselves	4/22/2018 9:05 AM

192	Survey isn't the forum for this.	4/21/2018 9:43 PM
193	Community participation, but Mendham doesn't give much opportunity for that. Our community spaces are embarrassing. This is a wealthy town, why is there no Rec center, community pool?	4/21/2018 9:34 PM
194	Surveys like this would be a good way. Regular communication from the township events / issues would draw residents' attention	4/21/2018 8:39 PM
195	Maybe instead of just forwarding information by email there can be a summarized email of the minutes from town hall meetings highlighting the main bullets? Most people won't click to open attachments let alone read through them	4/21/2018 8:34 PM
196	More tech based tools to allow remote real time dialog	4/21/2018 8:33 PM

201	Be more transparent	4/21/2018 7:28 PM
202	Like it really matters. Frank & Co running us to the poorhouse. Town is going to shit.	4/21/2018 7:00 PM

232	I think the biggest thing is that if a resident speaks at a township committee meeting, don't view it as a confrontation. Make it so that people don't view "being involved" as being in a fight or argument.	4/20/2018 5:29 PM

253	Two opportunities to speak on any topic at the Township Committee meetings. Any ad hoc committee should establish a public timeline and have at least two meaningful public meetings, announced in advance, at which residents can have input. One early, as fact finding, and one later, to provide input on draft finding. ESTABLISH AND PUBLISH A STANDARD PROCESS. Don't invent it anew in an ad hoc fashion for every ad hoc committee...and every budget cycle (finance committee).	4/20/2018 11:00 AM
