

NJ Register Ready: New Jersey's Special Needs Registry for Disasters!

**Registration
is EASY &
2-1-1 is
there to
help 24
hours a day,
7 days a
week!**

Founded 1749

Brought to you by:

The Morris County Office of Emergency
Management & Mendham Township
Office of Emergency Management

Sign up today!

*It may save
your life!*

Why should YOU register?? We care about our seniors, veterans, residents with medical needs, and those with access and functional needs. When disaster strikes, our team wants to ensure we can identify where Morris County's residents with critical needs are residing, so we can provide you with what you need when time matters most!

To register online, please visit:

www.registerready.nj.gov

Need help registering? Dial 2-1-1 to speak to someone that can help!
