**TOWNSHIP OF MENDHAM
CORRECTIVE ACTION PLAN
2020 AUDIT**

As required by Local Finance Notice #92-15

Finding 2020-1: Description: Adequate segregation of duties is maintained with respect to the recording and treasury functions.

Analysis: There is a reasonable balance between limited staffing in a small municipality and ideal internal controls. Administration has taken several measures in recent years to improve internal controls. Collection duties are shared among three employees in the Finance Department and prenumbered documents and monthly reports to the Chief Financial Officer are required by the other departments. Administration understands this balance and will continue to seek opportunities for enhancing all internal controls.

Corrective Action/Implementation Date: The Township will continue to evaluate possible measures to improve internal controls by investigating the cost/benefit relationship of various alternatives to resolve this finding.

Finding 2020-2: Description: The Court Administrator pursue collection of older tickets on the tickets assigned to an officer but not issued report so that these tickets may be voided.

Analysis: There were large number of tickets on the tickets assigned to an officer but not issued report which has been issued over 6 months ago.

Corrective Action/Implementation Date: The Court Administrator will make every effort to ensure that all older tickets are voided.

Implementation Date: 9/01/21

Finding 2020-03: October – December Township Committee minutes be prepared

Corrective Action/Implementation Date: Completed. The preparation of minutes has been expediated by allowing more condensation of discussions.
