

**Mendham Township Parks and Recreation Advisory Committee**  
**Meeting Agenda**  
**January 10, 2024 @ 7:30 PM**

Location: Emergency Services Building  
1 Cherry Lane, Brookside, NJ 07926

**Agenda Items:**

1. Parks and Recreation Overview
2. Chair election
3. Vice chair election
4. Pickleball Project
5. Mosle Subcommittee Proposal Review
6. Programming Update
7. Soccer Ralston Request
8. Recreation Advisory Committee Sub Committees
  - a. **Fundraising Team** - This group will work with me in creating a sponsorship brochure that will include all of our events and opportunities to have items either donated for the event or a financial contribution. This team would then be tasked with finding one sponsor for each of the events and donations where possible.
  - b. **Publicity Team** - This group will work on the spreading of word about the various programs and events. They will post on Facebook Mendham Groups, share with their neighborhood networks and friends, and also share with local school groups and day cares. I will continue to manage the Recreation email list and facebook and work with Wendy, but they will be focused on the external communications. Additionally, where necessary, they will assist in placing signage around town.
  - c. **Sports Team** - This will be a group that discusses any field issues that may arise and review use applications when there are items in question.
  - d. **Tabling/Event Team** - This team will work with me to develop activities at the different events at recreation tables. I have no problem with taking the lead, but they will be responsible for ensuring the table is accurately staffed and recruiting additional volunteers as needed.
