Mendham Township Environmental Commission

Response to Application #BOA Case#10-23

17 Kennaday Road

Upon discussion among our members, we have the following comments about this property.

- We have no environmental concerns with the variance for the replacement of the existing barn as a non-conforming structure.
- We encourage the homeowners to use native plantings with any landscaping they would anticipate near the new barn or the proposed pool.

Hi Melissa,

Can you let me know if you do not have any comments? I'd like to get the transmittal forms to the Board for review.

Thanks so much,

Wendy
