**TOWNSHIP OF MENDHAM**  
**CORRECTIVE ACTION PLAN**  
**2022 AUDIT**

As required by Local Finance Notice #92-15

**Finding 2022-1:** Description: Adequate segregation of duties is maintained with respect to the recording and treasury functions.

**Analysis:** There is a reasonable balance between limited staffing in a small municipality and ideal internal controls. Administration has taken several measures in recent years to improve internal controls. Collection duties are shared among three employees in the Finance Department and prenumbered documents and monthly reports to the Chief Financial Officer are required by the other departments. Administration understands this balance and will continue to seek opportunities for enhancing all internal controls.

**Corrective Action/Implementation Date:** The Township will continue to evaluate possible measures to improve internal controls by investigating the cost/benefit relationship of various alternatives to resolve this finding.

**Implementation Date:** 6/12/2023

**BE IT FURTHER RESOLVED** that a copy of the Plan be submitted to the Division of Local Government Services as required.
