DISCUSSION

Town Hall Renovation Update

Mr. Gabloff shared that the project continues to be on target. New Jersey American Water Company conducted the water pressure test for the sprinkler system. Sheetrock will be installed in the coming weeks. Mr. Gabloff commented that the Old Ralston Fire House has major structural issues and other issues and will need to be handled. Mendham TV will need to find a temporary location due to the poor condition of the Old Ralston Fire House. Mayor Neibart asked if signs could be put on the building. Mr. Gabloff will discuss with the Construction Official, Len Perre to see what signs could be put up. Mr. Monaghan also agreed on the updates regarding Town Hall.

Ash Tree Removal Update

Patriots Path is done. 166 Ash trees were removed. Ms. Duarte suggested that a social media post and eblast be sent out to inform the residents in the vicinity of the work when the tree work will be done and what to expect. Leaving the cut trees where they fall when allowable is good for wildlife.

IBCP Service-Learning Project

Three high school students sat with Mayor Neibart and Mr. Gabloff and part of this project is putting recycling bins around Mendham. The students will come back with locations they feel would benefit the most. The students are funding most of this project, but Clean Communities grant money could be used to offset the remaining cost. Various sports groups have requested bins at the fields during the season.

Update Survey Process & Questions for Soliciting Resident Feedback on East & West Main Street Proposal

The Township Committee discussed the survey that was drafted from the Committee meeting on March 11,2024. The purpose of the survey is to identify the problem and severity of the problem for the residents on East and West Main Street. This survey is complex and needs to be scaled to measure perception. The survey should be answered by each adult of the residence affected by the proposed name change. Mr. Monaghan suggested four open ended questions to identify the problem. The Township Committee further discussed what should be in the survey.

Ordinance Template

Mayor Neibart and the Township Attorney will go over this process.

OPEN TO THE PUBLIC

Mayor Neibart opened for public comments.

George Koenig, 13 North Gate Road, Mendham, NJ suggested that if the street name change goes through a template should be made for the senior citizens affected to help them navigate changing their documents. Mr. Koenig further commented that he agreed with Mr. Watson about having a quite neighborhood and keeping Mendham Township a residential community.

Peter Banos, 47 Ironia Road, Mendham, NJ commented on the over flow parking at the proposed Backer Brewery. Mr. Banos further commented the used of pervious payment for the over flow parking.

Seeing and hearing no one wishing to be heard, Mayor Neibart asked for a motion to close public comments.

Motion to close public comment period was made by Ms. Spirig and seconded by Ms. Duarte, with all members present voting in favor, no one opposed.
